25X1

Comment. The train [] was probably observed when it was loaded in Oranienburg on the evening of the 26 September 1951. The train carried a component of the unidentified AT artillery brigade of the Second Gds Pecz Army from the Weiss Stadt - settlement, Oranienburg. The train of 6

25X1

boxcars and 29 flatcars on 26 September, and the trains [] are believed to have carried elements of the same brigade or of the unidentified rocket launcher regiment. According to another source, 12 rocket launchers and an undetermined number of vehicles of the 312th RL Bct of the Fourth Gds Pecz Army were unloaded from the train [] in Eberswalde.

25X1

25X1

The other troop trains mentioned in paragraph 3 are reported for the first time. A component of the 324(?) AAA Div of the COFG is believed to have been on the train []

25X1

25X1

[] units of the Fourth Gds Pecz Army on the trains [] and units of the Third Gds Pecz Army on the trains [] The identity of the units on the three troop trains leaving the Halberstadt area cannot be determined. No Soviet troops were observed in that area during the summer of 1951.
